

## New Kenworth T880 Brochure Now Available

KIRKLAND, Wash. – The new Kenworth T880 Brochure is now available with the latest information on the company's popular, flagship vocational truck. The T880 provides a durable, reliable and productive truck for vocational fleets and truck operators in bulk haul, mixer, dump, heavy haul, oilfield, logging and refuse applications.

Since the T880 debuted four years ago, Kenworth has added a number of configurations. The new T880S set-forward front axle for ready-mix, dump and mobile crane applications is the latest addition. The T880 brochure also features the 40-inch flat top sleeper, and 52-inch and 76-inch mid-roof sleepers.

The 32-page brochure highlights the PACCAR MX-13 and PACCAR MX-11 engines. The T880 is standard with the PACCAR MX-13 rated up to 510-hp and 1,850 lb-ft of torque. The 12.9-liter engine provides a lightweight, fuel-efficient engine for vocational applications, including dumps and heavy haul applications over 100,000 pounds.

The PACCAR MX-11 produces up to 430 hp and 1,650 lb-ft of torque, and is especially well-suited for vocational and regional haul customers operating in weight-sensitive applications. The PACCAR MX-11 is 400 pounds lighter than 13-liter engines, and up to 100 pounds lighter than other 11-liter engines, for enhanced fuel economy and payload capacity.

The T880 brochure features Kenworth TruckTech+ Remote Diagnostics and Service Management, Kenworth Driver Performance Center, Kenworth Nav+ HD in-dash system, interior colors and options, and Kenworth seats with superior comfort, adjustability, ride suspension and personal climate control. Also included are detailed specifications on engine/powertrain, exhaust/aftertreatment system, transmission options, electrical, starting and charging, frame, axles and suspension, brakes, wheels/tires, fuel tanks, battery boxes, bumpers, cab/hood/interior, and special equipment and options.

The Kenworth T880 Brochure is available from Kenworth dealers in the U.S. and Canada or online ([www.kenworth.com/media/53913/2017-t880-brochure.pdf](http://www.kenworth.com/media/53913/2017-t880-brochure.pdf)).
