T680

NEXT GEN

Aerodynamic Styling

The sleek new exterior of the T680 Next Gen incorporates cutting-edge aerodynamic design features meant to squeeze every possible mile from every gallon. Offering you up to 6% in fuel savings from day one.

State Of The Art Technologies/ADAS

The T680 Next Gen employs a suite of intelligent technologies designed to elevate the driving experience like never before – offering safer, more intuitive control and a full range of productivity features.

15" Customizable Digital Display

An industry-first at this size, the high definition 15-inch digital display contains all the information a driver needs to operate the truck – configurable for as much or as little content as they want.

New Interior Styling

All new interior colors featuring black dash, new wood grain trim and Madrona accent color on the doorpad, seats and sleeper on Diamond VIT trim.

Best-In-Class LED Headlamps

New optional LED headlamps boost lighting efficiency, offering a wider pattern and whiter lighting for better visibility. Signature LED daytime running lights add a signature Kenworth look.

High Visibility LED Side Turn Indicators

Unmistakable 17.3"-long LED side turn indicators, mounted to the trailing edge of the fender, greatly increase visibility for surrounding traffic. Redesigned steps allow for enhanced cab access.
